

A modern kitchen interior featuring dark green, flat-panel cabinetry. On the left, a built-in oven is illuminated from within, showing a roasted bird. Above the oven, a glass-fronted cabinet displays glassware and plates. The countertop is dark, and a sink with a black faucet is visible. A wire dish rack holds plates and a potted plant sits on the counter. A window with a dark frame looks out onto a bright outdoor scene. The floor is dark wood.

Our essential colour palette

Be spoilt for choice!

A firm kitchen favourite, white is crisp, clean and allows you to experiment with floor and wall colours.

Another neutral colour, ivory offers flexibility, warmth and is a timeless choice.

A heritage colour, mussel is found in our traditional ranges and oozes class.

Cashmere is a popular choice and helps to add personality into the kitchen.

Sage green provides a pastel colour option and a Mediterranean vibe to the kitchen.

A huge kitchen trend in recent years, light grey is a highly fashionable choice.

A classic kitchen colour, oak embodies quality and is found in our Cambridge range.

Textured finishes are available in our Linear range with 6 colour options.

A mid grey tone, dust grey grows in popularity and is regularly used in 2 tone kitchens.

Anthracite makes a deep and dramatic statement in the kitchen and is particularly popular in matt finishes.

One of the hottest colour trends in recent years, indigo is highly fashionable across all types of kitchen.

New for 2022, Fir Green is the next big kitchen colour trend!

Modern Kitchens

Modern kitchens are on trend in terms of colours, style and finish. We have 4 ranges to choose from, each offering something a little bit different.

63 Vivo 81 Linear 85 Glacier 87 Lastra

Vivo+

Slab design

Vivo+ is the perfect choice for modern living. A simple, easy to clean shape, without any of those dust and dirt traps to slow your daily routine down. Vivo+ is available in both high gloss and tactile matt finishes, with a multitude of popular colour choices. Vivo+ doesn't compromise on quality either, with both the door front and edge being painted for a seamless aesthetic. Why not introduce some curves, to soften your kitchen lines?

Vivo+ Gloss Finish

A painted, gloss, sheen finish on both the front face and edges, Vivo+ provides outstanding quality and specification. Matching colour reverse as standard.

WHY CHOOSE VIVO:

- ✓ 18mm door thickness.
- ✓ Sealed and painted edges.

Vivo+ Matt is also available in our paint to order range & colour match service!

Cashmere Gloss

Our popular Vivo+ range quickly became synonymous with quality and value, the subtle neutral tones of Cashmere are sure to lend an air of warmth to any room.

Anthracite Gloss

Make a statement with the deep tone of anthracite. Inclusion of bifold units add a gadget element to the kitchen.

Ivory Gloss

Ivory creates a calming ambience in the kitchen, while open shelving can create feature areas and improve accessibility.

Light Grey Gloss

Vivo+ Gloss Light Grey brings a fresh and contemporary look to any kitchen, with its strong lines and high gloss finish. This kitchen says modern living; the perfect choice for the 21st century.

Use LED strip lighting to illuminate task areas and create mood lighting.

White Matt

The UK's most popular colour choice for kitchens is now available in a soft matt finish. Use curves to create an effortless flow to the kitchen.

Indigo Matt

Indigo injects some vibrancy into the kitchen and makes your furniture the focus of the kitchen. Our new walk in larder provides stylish storage and adds a functional feature to your kitchen.

Anthracite & Dust Grey Matt

Combine 2 trends here, with the highly tactile painted matt finish, that's surging in popularity alongside the mid tone of dust grey, a colour that's becoming a firm favourite in the UK. Dust grey and anthracite are also perfect for a solid two tone kitchen, or mix with one of our Linear ranges, that has shades of grey running through the textured effect.

WHY CHOOSE CARTMEL:

- ✓ 22mm door thickness.
- ✓ Painted option available so you won't be restricted on colour.
- ✓ 5 piece construction with sealed and capped edges to prevent peeling.
- ✓ Sustainably sourced FSC certified materials.

Colours available

Indigo

Create a classic contemporary kitchen masterpiece, by combining the hugely fashionable tone of indigo, with the classic grained shaker look of Cartmel. Copper handles add a fashionable elegance.

Cashmere

Cashmere is a firm favourite across the UK and a shade that appeals to all generations. Cashmere also allows you to use complementary or contrasting room decoration, to equal effect.

Dust Grey & Light Grey

The shaker design of Cartmel, helps to create impressive linear kitchens, as shown here.

Fir Green

Fir green is the latest addition to the Cartmel range, and looks superb when paired with oak worktops and antique brass handles, as shown.

White

White creates a crisp, chic look when combined with the Cartmel shaker door style and provides longevity in terms of fashion. Tongue and groove panels provide more traditional influence, and add character to an island unit.

Sage Green

Bring soothing pastel colour into your kitchen with the Cartmel Sage Green door. The introduction of glazed doors helps to maintain the open and light ambience.

Mussel

Cartmel offers a vast array of decorative accessories, with mantels a favourite choice to frame cooking areas.

Anthracite

Anthracite is a new addition to the Cartmel colour palette and creates a highly impactful look. Our new butlers pantry in oak makes a beautiful contrast, with storage a plenty, in a fashionable way.

Ivory

Add style, detail and light to your kitchen with Cartmel Ivory. Create a practical island that also works as a breakfast bar station.

Kitchen Door Care Instructions

We recommend the following door cleaning instructions for all of our doors:

- Clean the doors using only a solution of 95% lukewarm water with no more than 5% soap.
- DO NOT spray anything on to your doors, this includes the solution recommended above.
- Use a clean damp (not wet) cloth
- Dry with a soft clean cloth. If it is a timber door, run the cloth along the grain direction.
- Any cooking marks must be wiped immediately.
- Do not allow liquids to seep into joints of doors. Wipe any spillages immediately.

DO NOT use any of the products listed below to clean the door as they may mark and damage the surface:

- Wax Furniture Polish
- Bleach / chlorine based cleaning products
- Abrasive cleaners
- Solvents
- Multi-purpose cleaners
- Alcohol based cleaners
- Ammonia or any other similar product
- Scouring pads or abrasive cloths

Environmental Information:

Please be aware, localised or intense heat/steam can damage fascias. Subsequently the use of small appliances such as kettles, toasters etc. in close proximity to your kitchen fascias should be avoided. Doors should not be exposed to extreme temperature changes. Due to their manufacturing process, vinyl doors must not be exposed to temperatures above 70°C as this may cause damage to the door's surface.
